Wild Bird Checklist

The Six Joys of Birding

- Beauty** - an aesthetic pleasure of the birds, their flight and songs, and the nature that surrounds them
- Simplicity** - birdwatching can be performed almost anywhere, spontaneously, with little or no gear
- Discovery** - the satisfaction of puzzle-solving identifications and observing new behaviors, plus the thrill of first seeing something that had previously captured your imagination but eluded you
- Collection** - the act of accumulating sightings and keeping checklist satisfies a collector's impulse, without the need for storage
- Hunting** - the innate thrill of a hunt, without the harm
- Connection** - connect to nature, and socially to others in groups, or alone, as you prefer
